Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

When Russian scientist, Dr. Ima Krackoneov fails to become a successful oxygen bar operator, he swears revenge on the city that put him out of business. He plans to engulf the city in the worst funk they have ever smelled, thereby forcing them to come a buy his clean, pure air. Will the newly created F.A.R.T.S. task force, made up of five kids from the US and UK be able to come together and foil his plans, or will the city need to try and break a world record in holding their breath? And why does one of the kids wear a three year old pair of pajamas and insist that he is a super hero?.
