Harperwave, United States, 2014. Paperback. Book Condition: New. Reprint. 198 x 132 mm. Language: English . Brand New Book. A good man is hard to find. . . . Finding a partner often feels like an awful lot of work for very little reward. The relationship expert Matthew Hussey used to feel the same way. So he did some field research, taught himself to meet the women he was looking for, and built a business coaching other men to improve their love lives. And now he's sharing his insights with you. It turns out that men and women want the same thing: a lasting, meaningful relationship. Matthew says that finding the guy isn't just about finding a guy. It's about creating a life with someone who engages you at every level. In Get the Guy, Matthew shows you how to be proactive in your love life so that you can meet, talk to, and win over the guy who's right for you without playing games. After reading this book, you will not only get the guy, but you'll actually get him. You will understand how men think and what they're looking for. Attracting the right guy is about being confident in who you are and the value you bring to the table so you can find a guy who's as great of a catch as you are!.
