Vintage. Paperback / softback. Book Condition: new. BRAND NEW, The Peter Matthiessen Reader, Peter Matthiessen, Jenkins McKay, McKay Jenkins, "Our greatest modern nature writer in the lyrical tradition." --"The New York Times Book Review" "Matthiessen is a great travel companion. . . . His knowledge of plants, animals and people is breathtaking." --"The Boston Globe" Perhaps no writer has better articulated our relationship to the environment than Peter Matthiessen. From *Wildlife in America* to *Men's Lives*, his work has captured the wonder of the natural world--and the horrors of resource exploitation, with its violent effects on traditional peoples and the poor. In *The Peter Matthiessen Reader*, editor McKay Jenkins presents a single-volume collection of this distinguished author's nonfiction. Here are essays and excerpts that highlight the spiritual, literary, and political daring so crucial to Matthiessen's vision. Matthiessen chronicles his 250-mile trek across the Himalaya to the Tibetan Plateau in a selection from the National Book Award winner *The Snow Leopard*. Wild peoples, wilderness, and wildlife--common themes throughout Matthiessen's oeuvre--are examined with grace and power in *The Tree Where Man Was Born*. Here too are excerpts from *Indian Country* and *In the Spirit of Crazy Horse*, Matthiessen's stunning expose of the Leonard Peltier case and the ongoing conflict between the U.S. government and the American Indian Movement. Comprehensive and engrossing, *The Peter Matthiessen Reader* celebrates an American voice unequalled in its commitment to literature's noblest aspiration: to challenge us to perceive our world--as well as ourselves--truthfully and clearly.
