Poggibonsi, 2011; ril. In pelle, pp. 168, tavv. b/n e col., cm 27x32. Carlo Cambi Editore publishes the Photographic Crescendo of Michel Comte, one of the world's best photographer, who is on show at the Triennale di Milano from May 10 to July 3, 2011. Comte was born in Zurich and was discovered at the age of 24 by Karl Lagerfeld. Since the 80's, he has photographed numerous campaigns and has portrayed an impressive number of personalities - models, actors, musicians, artists - from the world of glamour. Various subjects and sizes, black and white or colour, nude or dressed. Comte is now an international brand and an icon. In the search for the perfect portrait he shows his genius. A great deal of research is always conducted on the subject of his work, because each subject has something personal and original to express. The fact that he succeeds is what makes him unique and it is what has allowed him to compose a piece of history in contemporary photography.
