Harper Perennial. 1 Paperback(s), 2004. soft. Book Condition: New. Despite his humble background as the son of a tanner, and assorted failed business ventures, the unwavering determination of Ulysses S. Grant propelled him through the ranks of military leadership and into the Oval Office. Assessing Grant both within the context of his era and in contrast to later American leaders, Michael Korda casts a benevolent eye on Grant's presidency while conceding his weaknesses. Korda suggests that though the general's second term ended in financial and political scandals, for eight years Grant bestowed a calming influence on a country that had just emerged from a horrendous civil war. 161.
