The Sephardics are the lost Jews of America --the dark-skinned descendants of the Jews expelled from Spain in 1492, who found new homes in the Balkans, the Mideast and North Africa. Dancing in the Shadows is their fascinating story, told through one unforgettable family. Dancing in the Shadows is Cohen's novelized treatment of the stories he heard repeatedly from his grandparents, parents, uncles and aunts about the multitude of generations that made up his unique family. Through his retelling, Cohen describes his family's struggles to balance tradition against assimilation. He tells their dramatic story of love, loss, and strength in a work that makes the vibrant Sephardic culture come alive once again. Relying heavily on his maternal grandmother's lore, Cohen recreates the lost world of his Sephardic ancestors. From the Ottoman Empire to Jerusalem to their eventual assimilation in America's melting pot, his family moved across continents in search of home and safety. Follow his proud family's heritage back to third-century Himyarite Yemen when that land was ruled by three Jewish kings. For...
