## Speeches and Addresses Chiefly on the Subject of British-American Union

By -

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 52 pages. Original publisher: Washington, D. C. : U. S. Govt. Accountability Office, 2008 OCLC Number: (OCOlc)244102478 Subject: Air traffic control -- United States -- Data processing. Excerpt: . . . In 2005, FAA established a policy requiring the use of EVM on its major IT FAA Has Established investments; however, key components of this policy are not fully 17 an EVM Policy consistent with best practices. We recently reported that leading organizations establish EVM policies that for Major IT Investments, but establish clear criteria for which programs are to use EVM; Key Components require programs to comply with the ANSI standard; Are Not Fully require programs to use a product-oriented structure for defining work Consistent with products; Best Practices require programs to conduct detailed reviews of expected costs, schedules, and deliverables ( called an integrated baseline review ); require and enforce EVM training; define when programs may revise cost and schedule baselines ( called rebaselining ); and require system surveillance - routine validation checks to ensure that major acquisitions are continuing to comply with agency policies and standards. Table 1 describes the key components of an effective...
