Language: English Brand New Book ***** Print on Demand *****.Excerpt from *Whither?: A Theological Question for the Times* This book is a product of more than twenty years of study in the history of Puritan Theology, and especially of the Westminster divines, the authors of the Westminster Standards. In the years 1866-1869 the author was in Berlin, engaged partly in the study of exegetical theology and oriental languages with Dr. Aemilius Roediger, and partly in the study of the history of doctrine under the guidance of Dr. Isaac Dorner. He undertook a special study of the history of the doctrine of Justification by Faith and its relation to Sanctification. In this study he learned the failures of the Protestant scholastics from the faith of the Reformation. When he came to the study of the Westminster Confession he was surprised to find that it had not only retained the pure faith of the Reformation, but had advanced upon it in the unfolding of the doctrines of Sanctification, Faith, and Repentance. This was a surprise, because it had not been noted by any of the British or American divines whose works he had studied, and it was entirely in advance of the faith of the British and American Churches.
