Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Harding - The Original Classic Edition Finally available, a high quality book of the original classic edition. This is a new and freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside: The figure 4 trigger is best for this trap and is made after this manner: standard (1) is made by cutting a stick five or six inches long out of hard wood and whittling it to a flat point, but blunt at one end; (2) is about five inches long with a notch cut within about one and one-half inches of the end with the other end made square so that it will fit in (3) which is the bait stick. For upright pieces to hold the main pieces so one would fall square on the other, we used sawed stuff 1 x 3, two pieces set straight up and down at each end, or about far enough to leave the back end stick out three inches, and front end or end where the triggers set, 6 inches. Nail these 1 x 3 two on each end as directed above, nail to lower piece 2 x 4 only, then at back end bore a hole through the two uprights and also upper 2 x 4, or the piece that falls, put a bolt through, or a wood pin if the hole in the 2 x 4 is larger than those through the uprights; then you are ready to raise it up and let it drop...
