With the New York Trilogy Paul Auster has created a powerful and deep going tripartite work which made him popular all over the world. In 1989, he received the Prix France Culture de Littérature Étrangère for this, his first novella and many other prices followed for other works he has published until now. City of Glass2 deals with reality and coincidence failure and identity in the frame of a detective story. It was a wrong number that started it 3 is the first sentence the reader detects when one begins to read the novel. A story about a writer named Quinn that used to be a quite talented writer. After he had lost his...
