McGraw-Hill Education - Europe, United States, 2014. Hardback. Book Condition: New. 2nd Revised edition. 232 x 154 mm. Language: English . Brand New Book. The definitive guide to complying with the brand-newBasel III requirements and creating sustainable value With the Final Standard of Basel III published and implementation deadlines set, there s no better time for the revised and updated edition of the cornerstone resource bankers, bank regulators, auditors, and risk managers worldwide rely on--Bank Valuation and Value-Based Management. Whether you re complying with the new standards of practice, valuing a bank, or searching for sustainable value creation, you can do it quicker and more effectively with the insight only Jean Dermine can offer. Renowned for his expertise in asset and liabilitymanagement, European financial markets, and banking theory, Dermine provides the most comprehensive reference available on the essence of banking--asset-liability management, with particular focus on an institution s banking book. Along with an in-depth exploration of what drives value in a bank, he equips you with his personal bank valuation model aimed at assessing decisions that enhance shareholder value. Complementing his toolbox of practical instruments for valuing banks, Dermine gives you a robust, integrated value-based management framework for addressing such managerial issues as fund transfer pricing, risk-adjusted performance evaluation, deposit pricing, capital management, loan pricing and provisioning, securitization, and the measurement of interest-rate risk. Relevant in banking systems across the globe, this new edition includes the latest methods and strategies for: Identifying the drivers of sustainable value creation Choosing a fund transfer price that includes liquidity and solvency risks Allocating economic capital to business units Pricing deposits and loans Estimating the duration of nonmaturing accounts Allocating provisions on performing and nonperforming loans. Throughout the book, extensive mathematical formulas and exercises ground conceptual coverage to hands-on practices. A wealth of exercises and real-world problems work to...
