The Teacher and Student Method Books have pages dedicated to personal instruction on every new topic, so you can learn what you need to learn throughout the curriculum. and nothing else. The Teacher's Notes pages allow your teacher to demonstrate the basics of playing your instrument, in a way that is tailored to your needs and level of understanding. While it is very important to practice with your instrument on a daily basis, we all know that isn't always possible. This is why The Teacher and Student Method covers every topic in fine detail, so you are practically becoming a seasoned musician as you progress through the many exercises in the books....
