Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this short devotional book, the author turns the traditional focus of the Protestant season of advent from Christ s birth into the advent of His Second Coming. During this 25 day journey from December 1st to December 25th, see how the ordinary trappings of Christmas are turned into moving examples of Christ at work in our world. The author reminds us that even the smallest gift can yield big results for Christ, . that the darkest, coldest and most difficult experiences of our lives can be remembered as times when Christ was most at work, . and that there is reason for the broken-hearted and down-trodden to celebrate Christmas. You ll even be introduced to an entirely new way of experiencing the traditional Christmas Eve candle light service, one that may change the way you see the world. R.
