HUTTON INQUIRY

[DOWNLOAD](#)

Alphascript Publishing Dez 2009, 2009. Taschenbuch. Book Condition: Neu. 220x150x8 mm. Neuware - The Hutton Inquiry was a British judicial inquiry chaired by Lord Hutton, appointed by the United Kingdom Labour government with the terms of reference 'urgently to conduct an investigation into the circumstances surrounding the death of Dr David Kelly'. On 18 July 2003, Kelly, an employee of the Ministry of Defence, was found dead after he had been named as the source of quotes used by BBC journalist Andrew Gilligan. These quotes had formed the basis of media reports claiming that Tony Blair's Labour government had knowingly 'sexed up' the 'September Dossier', a report into Iraq and weapons of mass destruction. The inquiry opened in August 2003 and reported on 28 January 2004. The inquiry report cleared the government of wrongdoing, while the BBC was strongly criticised, leading to the resignation of the BBC's chairman and director-general. The report was met with criticism by British newspapers opposed to the Iraq invasion, such as The Guardian and the Daily Mail, though others said it exposed serious flaws within the BBC. 128 pp. Englisch.
