Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

Nomosbooks, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Professional Career Planning, Management and Goal Setting. Though it has many applications, this particular workbook is designed with the military personnel transitioning in mind. It also serves to help first-generation professionals of all ages. Starting with the school-age youth who has decided to become a professional but does not have access to people from the professional world. Secondly, the college-age student who is in college but is challenged in deciding what to major in. Thirdly, for the employee who is looking for source material to be ready for an upcoming promotional opportunity. Having personally gone through all of the before mentioned phases/stages of a career, I know how exciting and rewarding it can be when you are the first in your immediate family with professional ambitions. Any edge you can get to add to your readiness is a big plus. I believe the workbooks simplicity lends itself to the broadest range of career levels and applications. I am the first in the family to reach my education and professional level. As I look back on both careers-military 1974 -1981, then onto retirement from law enforcement from the Las Vegas Metro Police Department as a Corrections Officer, 1985 - 2006 -I can see how differently both of those outcomes would have been had I employed what this exercise offers. While researching context for the concept, I noticed that many of the people I talked to did not analyze the work-world the way I do here. It is not by any means completely comprehensive-in that it will cover everything you need to know to make your career the best work-life possible-though I do consider this as one of many literary...
