Wild Mustang Anthology: Experiments in Writing and Publishing at WNMU presents a provocative sample of student voices, both national and international. Published from the southwest corner of New Mexico, the writings represent a cross-section of 21st century perspectives, mirroring the diverse and far-flung students of the Master of Arts in Interdisciplinary Studies program at Western New Mexico University. The anthology contains multiple genres and styles making it a fit for a variety of readers. This project is an experiment in self-publishing undertaken as a class project in a four-week online summer session by a group of WNMU MAIS students. All proceeds from this endeavor will go to aid the earthquake victims in Haiti.
