Autonmedia. Paperback. Book Condition: new. BRAND NEW, *Auroras of the Zapatistas: Midnight Notes*, Gustavo Esteva, *Midnight Notes Collective*, The *Midnight Notes Collective* looks here not only at Mexico's Zapatista revolution directly, but also at its enlightening and heating effects on the new social struggles elsewhere (in Canada, India, Yugoslavia, the United States) against the latest forms of capitalism, "neoliberalism" and "globalization." This book aims to provide a special slant of light illuminating the slow and often unconscious formation of an "anti-globalization" movement - a movement confronting a collective body of social capital rapidly and self-consciously operating on a global level in the last decades - and creating what the Zapatistas call "the Fourth World War.".
