Introduction to Quechua: Language of the Andes, 2nd Edition (Paperback)

By Judith Noble, Jaime Lacasa

Dog Ear Publishing, United States, 2010. Paperback. Book Condition: New. 2nd. 229 x 152 mm. Language: English, Quechua. Brand New Book ***** Print on Demand *****. The general language of the former Inca Empire, Quechua is today the most widely spoken indigenous American language. It is used by over six million people in the Andean region of South America - an area that includes southern Colombia, Ecuador, Peru, Bolivia, northern Chile and northwestern Argentina. Introduction to Quechua provides a uniquely accessible introduction to the language and culture of the Quechua speakers. This book is divided into three parts. Section I focuses on the spelling and pronunciation of the language. Section II consists of 494 Model Sentences in both Quechua and English, many in a helpful question-and-answer format that enables a person to communicate in situations typically encountered by the traveler. Literal translations are also included, to provide insight into the grammatical structures involved. These sentences cover a wide range of practical topics, from extending greetings and social courtesies to asking about transportation, describing things, expressing likes and dislikes, and requesting help. The models also show how to talk about time and past events and to express commands and conditional sentences. Many...

Reviews

This book may be worth buying. I have read and I am confident that I am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after I finished reading this publication in which actually altered me, modify the way I believe.

-- Faye Shanahan

This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

-- Delbert Gleason
